he sent her flowers on 2-Valentine's Da

the first was a plant in an  
unmarked

several months later, he asked her if she  
got the flowers - she asked him if they  
were from him & he said didn't you see  
the card

this year it was a dozen white roses  
in a nice vase - there was a card but  
she called florist no name

one Christmas when Audi was in England  
Chris brought over a movie - ice skating  
they ate & he brought cookies

the first meeting was at a courtyard  
picnic

or at the laundry room

1- movie night

he just lost his job

Valentine's Day

she saw him a few times at Gold's Gym  
Clarendon

this summer Chris called [REDACTED] + left  
message on her recorder - Oh, haven't  
seen you in a while - Just wondering  
how it is going

later on he called her again + asked her  
if she used E-mail or Internet - she  
was very curt with him

then once she saw him walking + said h  
that was

- home  
- cell ph

six months ago - he would show up where-ever<sup>1</sup>  
whenever she was in parking lot, laundry  
room, trash

she saw him looking <sup>down</sup> out at her  
he knew she worked out at Gold's Gym  
he knew she ran her own company

when she was struggling with furniture he came  
and helped her

Chris was at parked in parking space  
on 9-13-98 - his car was running  
truck Black Nissan

[REDACTED] - h  
checks her voice mail in  
the afternoon

known him for two years  
he knocks on door with cookies at Christmas

someone leaves roses on her car  
he has cleaned her car off  
he has knocked on her door + she  
has not answered it  
he asked her for a ride <sup>to get his girlfriend's car</sup> - she said she  
couldn't give him a ride

on 9-10-98 at night - [REDACTED] was in  
laundry + this comes in  
he asks if she was doing

40 years old

h w  
he brought cookies to her Christmas - 1996  
because her Mom died

Andi was in London visiting her son - School of  
Economics

has received flowers - Valentines Day

second floor apt.  
door on the right

last fall - he was looking in her apt.  
he was peeping in her windows
